

## Sustainable Community Development Program

Students comments – Leaders Private School, Sharjah

Thank you to you for teaching us more about solar energy or pannels etc. we would like to vist this place again.

THANK YOU - Tasneem.K  
TA

It was also a great experience to visit the place and knowing about more. thaking you once again

TA LPS

Leaders Private

It was also a educational School trip.

## Sustainable Community Development Program

Students comments – Leaders Private School, Sharjah

It was the most <sup>enjoyable</sup> educational trip we have ever went. Could know more about renewable energy resources. Could get more ideas on renewable energy resources. It was very informative.

BYE And Thanking you!  

## Sustainable Community Development Program

Students comments – Leaders Private School, Sharjah

It has been a really good and informative experience. We have learnt about sustainability and we hope to be a part of this Global Green Revolution. Let's hope for a better tomorrow!

Grade 8 - A  
Leaders Private School

It was our great pleasure to visit Pacific Controls. The way of presenting was great and informative. We wish to visit you again to learn more.

Grade 7 A  
Leaders Private School.

We are really privileged that our school has got an opportunity to learn more about green values.

- Anusadha - 8A

Coming here, I have learnt how to use resources and energy in a better and efficient way

- Kanishka - 8A

## Sustainable Community Development Program

Students comments – Leaders Private School, Sharjah

As I am one of the members of the Earth Small Club in my school. I would like to implement the ways which the Pacific Controls has taught us which helps for a bright and a green future.

- Irene Paul - 8-A

It was a very awesome educational trip. We are glad to Pacific Control.

- Parvathi Shine - 7A  
and Anamika - 7A

I have learnt many new things today and I wish to visit PC again to learn new things.

- Abath Ahmed VII A

It was a great pleasure to come to Pacific Control

It was a great pleasure to visit this place. I wish I come again!

Preeti

7A

It was a great experience for all of us. ~~and~~ and thank for showing all the presentations.

Hastha

7A

It was really informative and a great experience. We wish we come back some other time for more adventures. :-)

Pragnya

7A

I think it was a very educational trip - coming here was a dream. Thank you for your time. I really enjoyed and appreciated this trip

Rojana

7-A

The presentations were really informative. And the presentators did their job really good. Thanks for letting us know about the new initiative ways for sustaining energy and the world.
